The Athenian School Summer Program is a unique combination of academic, athletic, and artistic opportunities for students throughout the Bay Area. Our goal is to offer students fun and productive learning experiences. We do this through a wide variety of programs designed to improve skills, enhance learning, and build confidence. Keeping students interested in learning during the summer is accomplished through the expertise and enthusiasm of our extraordinary staff. We have developed classes and activities that we know students will find enriching and rewarding. We are confident students will find our summer programs to be a valuable part of their continuing education and remembered long after summer ends.
