

Get Wild!

By Lee Borrowman

The Orinda Union School District's 6th Annual Wildlife Festival will be held on April 22 from 1-4 at the Wagner Ranch Nature Area, 350 Camino Pablo Rd. The Wagner Ranch Nature Area is rich in local history and environmental diversity, and has served the Orinda schools for many years as both an outdoor, hands-on science lab and the perfect setting for interactive educational projects such as the Living History program's Native American Days and Rancho Days.

Treat yourself to a docent tour of the area to which most of us never get to go! Learn about the history of the area, meet Steve Gentry's bees, make a leaf-print tee shirt or origami pot and see a Native American drum and dance performance. The Wagner Ranch Nature Area is at times poised to become the victim of development – find out more about the area at www.fwrna.org.

Imagine yourself healthy, fit & energetic
