

Got E-Waste?

Electronic Waste Management, a state-approved Bay Area e-waste recycling company, invites you to celebrate our country's birthday by recycling your old, unwanted TV, computer, monitor and other electronic equipment at a FREE e-waste recycling event.

Why recycle? Toxic substances such as lead and mercury are used in the manufacture of electronic equipment and can pollute the ground, our waterways and the air if not disposed of properly. All eligible e-waste items collected at this event will be recycled and broken down to their primary components, such as metals, plastic, glass, etc. These components are then

reused into making products such as cars and other electronic equipment.

The event will take place at Diablo Valley College, in Pleasant Hill, on Friday, July 6th from 12PM to 5PM, and Saturday and Sunday, July 7th and July 8th from 9AM to 3PM. Drop off is FREE and all of the following items can be recycled: TV's, computers, monitors, computer components, power supplies, telephone equipment, scrap metal, wire, and more. Please do not bring household appliances, microwaves, smoke detectors, furniture, or household or car batteries. Visit www.noewaste.com for event info and to view a list of eligible items, or call toll free (866) 335-3373.
