

The Slow Down, Lamorinda! campaign will wind down next week. This week's target enforcement area is in Moraga, on Moraga Road at Corliss, and the final week will be in Orinda, on Moraga Way at Brookside.

So who has been speeding up and down the streets of Lamorinda? Most Lamorindans will say, "Not us!" It appears that at least some of us do, but we are not alone. Statistics obtained from the Lafayette Police Department indicate that during the first four weeks of the campaign about 36% of speeding tickets issued were handed to residents of Lamorinda. 34% of ticketed speeders lived in other parts of Contra Costa County, and 30% were from outside the county. The percentage of speeders who are residents was highest on Moraga Way, and roughly half of the speeders on Pleasant Hill Rd lived not in Lamorinda but in other parts of Contra Costa County. Lafayette's Chief Mike Hubbard had not finished compiling the June statistics when we went to press, but says the overall numbers are not likely to vary much over the length of the campaign.
