Four divers from Sherman Swim School accomplished great success in six events at the 2007 AAU Diving Nationals in Orlando, Fla., July 24-29. Lafayette resident, Laura Winn, took 6th place in the 1 Meter Springboard finals (up from 12th place in the prelims) with a score of 317.65. A recent graduate from Acalanes, and a former “class 10” gymnast, Winn plans to continue diving when she attends UCLA in the fall.

Katherine Copenhagen, who is from Orinda and is also an accomplished viola player, finished 35th in the prelims with a score of 237.95. Other personal bests included Las Lomas student Cody Sunkel, who moved from 12th to 9th place in the 3 Meter Springboard finals with a score of 364.00, and Carondolet junior Brianna Nicholson who scored 238.80 in the 1 Meter Springboard, each for their respective age groups.
