

A Case of Mistaken Identity

By Jennifer Wake

Since the season began, Lamorinda Weekly's coverage of Acalanes girls soccer has applauded senior goalie Erica Rush for her valiant efforts. We have now learned that due to a long-term injury, Rush has not played all season, yet since the roster was unchanged we continued to give lauds to Rush while it was, in fact, sophomore Angela LaScala-Gruenewald who gave the needed saves to help launch Acalanes to the NCS semi-finals. We express our sincere apologies to LaScala-Gruenewald and offer our hearty congratulations to the Dons!
