On July 21, Mechanics Bank will open its newest office in Lafayette, in the location of the former Mt. Diablo National Bank. We're pleased to announce that we'll also be home to many of the bankers from this previous institution. So along with an independent bank with a 103-year history of serving businesses and individuals as a trusted financial partner, you'll find plenty of familiar smiles.

Stop by on the 21st. We look forward to meeting you. Or, in some cases, we'd like to see you again.
