## LASF Party on the Horizon

By Cathy Tyson

Academic supporters will flock for the first time to the Orinda Country Club for the Lafayette Art and Science Foundation's "Love Lafayette, Love Education" party on November 15, 2008. This year it's a group effort with parent clubs and PTA's working together to reach the community's fundraising goals. "This is an especially important year for our event with the massive state budget problems," said Darci Chan, president of LASF. A big turnout is expected for appetizers, gaming, live music, dancing and numerous raffles. All the proceeds, less expenses, fund LASF arts and science programs at Burton Valley, Happy Valley, Lafayette, and Springhill Elementary Schools, Stanley Middle School and Acalanes High School.
