Lafayette Service Unit Welcomes New Girl Scout Leaders

Submitted by Sandra Patterson

The Lafayette Service Unit welcomed the volunteers that stepped up to be leaders of new and existing troops at its fall Leader Meeting held on October 6 at Camp Twin Canyons. Girl Scout Cadettes from Troop 31077 conducted the flag down ceremony at sunset during the meeting.

There are still girls looking for troops to join and a need for interested adults - male or female- to lead and/or co-lead troops. Without adult leaders, there is no Girl Scouting. To be a Girl Scout leader, you must be at least 18 years of age. Please contact us if you want to join this organization at www.lafayettegirlscouts.org or at pattersonburr@earthlink.net.
