n Through the Back Door, 11/7/09 Lafayette Police were summoned to a Silver Springs Court residence to take a burglary report. Unknown suspects pried open the rear pedestrian door of the resident's garage and entered the house through the unlocked garage entrance. The suspects took several items valued at \$6,900 from the home and rudely drove away in the resident's Lexus. A neighbor had noted a man with shoulder length, shaggy, dark hair enter the home through the front door earlier in the day. It is possible the neighbors do not know each other. There are no suspects at this time.
