Wilder Road

The signs for exit 7B on Highway 24 just east of the Caldecott Tunnel were recently changed to reflect the exit's new name, Wilder Road. Formerly known as the Gateway exit, the eastbound off ramp leads to the new 245 luxury home development, also called Wilder, which is currently under construction. The cost of the sign changes was paid by the developer of the Wilder project. Pictured from CalTrans are John Mc Guire, Jose Razo, and Aminadab Vazquez. A. Firth
