## Miramonte Career Night

*Submitted by Eloise Schneider*

Over 330 students attended Miramonte High School's annual Career Night sponsored by the Orinda Rotary Club. "We had some wonderful panels and good feedback from students and panelists. Two panels that were exceptionally well-attended were Medical & Health Care and World Languages," says counselor Eloise Schneider. "Our students are so involved," she adds. "One parent told me that her son came home after attending two panels and spent thirty minutes telling his father all about it. That's what makes it all worth while."
