The Lamorinda Chapter of the National Charity League celebrated its "Presents" on March 14th at the Claremont Resort. These 22 young women from Acalanes, Campolindo, and Miramonte high schools have worked together over the past six years, logging a combined total of 5500 hours assisting local philanthropies and supporting our local Chapter. Monument Crisis Center, the Contra Costa Food Bank, Loaves and Fishes, ARF, Lafayette Arts and Science, Special Olympics, the Breast Cancer Walk and the American Heart Association are some of the numerous Contra Costa County organizations we support.
