What 2 year old doesn't ooh and ahh at the sight of a fire truck or ambulance? What five year old wouldn't love the opportunity to climb on a motorcycle, into a police car, garbage truck or other dream vehicle? If you have a little person in your life who loves anything and everything with wheels, then mark your calendar for April 24th, 2010 from 10 a.m. to 12:00 p.m. for the 16th annual Wheel Day, an event sponsored by Seedlings Preschool at LOPC and open to the entire community. There will be numerous vehicles including construction, public safety, public service and public transport vehicles, motorcycles, ATVs (and perhaps a fire truck if they can make it that morning) parked all around LOPC's parking lot, all there for viewing, climbing and horn honking. Admission is free, and snacks and refreshments will be available for a nominal fee. Bring the whole family! Invite your neighbors and friends!
