Coffee and Contributions at the Annual EFO Donation Day

Submitted by Sandra McGonigle (written by Jane Wisler)

Get your morning coffee Tuesday September 21st and say hello to EFO! Friends from the Educational Foundation of Orinda will be out and about that morning spreading the word about EFO and all that it does for our schools. Look for us on corners, at local coffee houses including Geppetto's, Peet's and Starbucks, and at school car-pools collecting donations as we celebrate the new school year. Realtors are also doing their part offering donation baskets at open houses on Tour Tuesday, with yet another way to help our community.

Be sure to look for the balloons and friendly faces, knowing that your latte is doing a "latte" of good!
