### Summer's Coming – What Will Your Kids Be Doing?

Summer's coming. The very phrase sends thrills of excitement through some kids, while in others it instills fear. Think back...chances are you fell into one of these categories yourself. There are many options in California and beyond for Lamorinda's young, adventurous spirits; but some kids are home-bodies, preferring to spend their days, and nights, in familiar surroundings— nothing wrong with that, and we can only hope they'll still feel that way when we are old

and waiting for them to come visit! Right here in Lamorinda are sleep-away camps that may help bridge that gap – away from home, yet just down the street.

Seems like kids have never had as many choices as they do now. Maybe you are just looking for a week here and there to broaden your child's horizons – give them an opportunity to learn something new, have an adventure, take a hike...you may find just what you're looking

for in our annual Summer Camp Guide (our Full Day Camp Guide appeared in our March 16 issue:

www.lamorindaweekly.com/archive/issue0501/read.html.) If your child's summer plans include sleeping in or days filled with swim team, the half-day camps and classes in this issue will give those water-wrinkled fingers a chance to dry out and might even convince sleepy-head to get up and try something new!
