Orinda Moraga Girl Scout International Faire 2011

Submitted by Susan Rockwood (written by Marie-Claire Schillinger and Sarah Rockwood)

Young excited Daisies, cheerful Brownies, mature Juniors, and supportive parents all had a great time at the annual Girl Scout International Faire hosted by Cadette Troop 30446 for the Orinda Moraga Service Unit on March 13. The International Faire is an event where many local Girl Scouts choose countries and, on their own, learn about them with their troop. They gather at the Faire to represent their country by hosting a booth that may feature games, activities, food and more to share with others. This year, Troop 30446 added a fashion show to the agenda. Each member of the troop, and a few volunteers, wore Girl Scout uniforms from many different countries and described them to the audience.
