A "Home Run" of a Day at Campolindo

Submitted by Kelly Ratchford

On Saturday April 30th, Campolindo High School club "Project Open Hands" hosted an afternoon of fun for all. The Walnut Creek Challenger Giants and Lafayette Challenger Giants worked on skill development with the Campolindo Varsity Baseball and Softball teams followed by a couple innings of scrimmage and award ceremony. Smiles, high fives, and hard warming moments were shared as the Campolindo players worked with the Challenger athletes to improve their throwing, catching, fielding and batting skills. Everyone hit, ran the bases and scored for their team. Many thanks to Project Open Hands, Karina Hissen, Coach Luckhurst, Ms. Alessandria and all who participated in this day filled with joy.
