## Girl Scouts Bring the Tropics to Moraga

*Submitted by Kim Jinnett*

Girl Scout Troop 30072 from Moraga recently painted a storage container at Joaquin Moraga Intermediate School as part of a community service project. The Cadettes transformed a blue background into a tropical wonderland of colorful, bubbling, exotic fish. Principal Danilson, Mrs. Lezak and Ms. Moose Wesler were helpful in providing ideas and supplies for the project. Ace Hardware of Moraga also donated paints, supplies and provided helpful advice. As leader Lori Sherman noted, "Each fish is a unique masterpiece!" This is the first of many community service projects Troop 30072 will be completing during this school year.
