Concerned that the Moraga Town Council meeting may run until midnight but still interested in hearing first hand what was said? Now it is possible, thanks to one man's initiative.

Moraga resident Seth Freeman is recording the meetings of the Moraga Town Council and the Parks and Recreation Commission. "It is free to do," says Freeman, "and it is free to view."

The meetings are streamed live on the Internet, and are also archived for later viewing. To watch, go to www.livestream.com/moragaca.
