Stanley Middle School student Lucy Clearwater was recently selected to represent the middle-school age group of the PTA District of Contra Costa County at the state-wide Reflections competition. Lucy's winning song, "Come Back Home" will go up against the work of other musicians in her age group from all counties state-wide, with the winner moving on to the National competition.

Reflections is a nation-wide competition sponsored by the National PTA encouraging students to create original works of art in six categories, both for fun and recognition. Lucy not only wrote the music and lyrics, but she performs all vocals and instrumentals as well.
