

ASK CYNTHIA: Reader Requests

"Your column inspires me. Where would I find those beautiful varieties of daffodils featured in Digging Deep early this year?" Allison M

Check for rare varieties at your favorite local nursery or garden center. If you can't find something you like, I have recommendations for companies from whom I purchase special species. Read the catalogues carefully as bulbs go by different names. Look at the photos and read the descriptions to purchase plants suitable to your micro-climate that will be beautiful, long flowering, and fun.

Here are three of my favorite resources:

- Antique Flower Bulbs for Every Garden:
<http://www.oldhousegardens.com>
- Other bulbs:

If you have a garden question, email Cynthia@GoddessGardener.com and I'll print as many answers as time and space allow. I regret I can't personally answer individual concerns.
