Meet the Council Candidates

Across Lamorinda there are 13 civic-minded individuals seeking to serve on their City or Town Council. Only eight seats are available. As our communities continue to face the financial challenges of deteriorating roads and infrastructure, and issues surrounding planning, development, and local commerce, these all-volunteer bodies have their work cut out for them. On November 6, voters will make their choices. By way of introduction, if you haven't already met, take a first-look at the candidates on pages A10-A12.
