

CHANGE IS GOOD

"I'm proud to announce my affiliation with **Pacific Union International** - one of Northern California's most established and respected real estate firms. With its 21 offices in the Greater Bay Area, Pacific Union International is made up of industry leaders such as dynamic owner **Mark McLaughlin** and one of the East Bay's premier managers in **Ellen Anderson**. The firm has an impressive list of local Realtors many of whom I've enjoyed professional relationships with during my **19 year career**.

I am also pleased to announce the expansion of my real estate team - the **KURT PIPER GROUP**. I have welcomed back my sister, **Leslie Piper** and have added a new member with **Scott Sans** who grew up in Lamorinda. **Christine Gallegos** has been a team member for two years and is equally excited about our new beginning. We look forward to delivering an exceptional real estate experience to you."
