The East Bay Eclipse U13 Lunar girls made their third tournament finals of the season at the Walnut Creek Octoberfest over the weekend of October 27-28. They went home with their fourth award of the season, finishing second overall.

Despite falling behind 2-0 early in their first game of the tournament against Central Marin, the Eclipse girls stormed back with a late goal in the first half and three more in the second half to earn the victory.

In their second game, Eclipse faced off against Lamorinda Soccer Club. The game was evenly matched at the start, but Eclipse eventually took control, earning a 2-0 victory.

The Eclipse beat a tough team from Mustang Soccer Club 2-0 to make it to the finals. The girls fought hard in the championships, but they gave up the winning goal in the final seconds to finish in second place.
