## Kiwanis Members Install New Steps at Hacienda

*Submitted by Dale Walwark*

Members of the Kiwanis Club of Moraga replaced the steps that lead down to the stream at the Hacienda de las Flores. New masonry steps next to the La Sala building replace rotting railroad ties that were installed by other Kiwanians a number of years ago. The handrails built then are in good condition and are being retained, according to Sam Sperry, chairman of the project for Kiwanis.
