## Local Cub Scouts Help Out During Community Service Day

*Submitted by Mylinh Paolieri*

The boys from Rheem Elementary Cub Scouts Pack 351 came out for a second year on a Saturday morning to lend a hand at the Walnut Creek Community Service Day. This group of first- through fifth-graders spent all morning cleaning up and revitalizing Lar Rieu Park. The boys raked leaves, pruned trees and bushes, composted and mulched trees that had not had much attention in years. By the end of the morning all of them had put in a good day's work and learned how it feels to give back to the community. The neighbors and organizers of the event were very grateful and impressed with the hard work and dedication the Cubs displayed.
