

## Cynthia Brian's Mid-Month Reminders

- **ADD** a birdbath to your xeriscaping as it is essential to provide water for our feathered friends.
- **SAVE** the bulbs from the Easter gifts of lilies and tulips. Plant in the ground for a more spectacular repeat bloom next year.
- **MIX** and match blue bachelor buttons, with white scabiosa, and pink dianthus for an easy, enchanted display.
- **CONTROL** pests with healthy gardening practices that are eco-friendly.
- **SAVE** space and water by planting a disease resistant fruit salad tree that has been grafted with multiple varieties of your favorites.
- **CELEBRATE** the Earth Day Wildlife Festival from 1 to 4 p.m. April 27 at the Wagner Ranch Nature Area in Orinda.
- **BUY** heirloom and organically grown plants from Moraga Community Garden sale every weekend in April located behind the walnut barn off of Moraga Way.

May flowers depend on more April showers thus we'll continue our rain dances. Wishing you a very Happy Easter and Passover. Happy Gardening! Happy Growing!

*Echeveria are excellent choices for xeriscaping.*
