City Council Honors Young Jazz Musicians

Photo C. Tyson

The City Council, after hearing a few fantastic tunes from the Stanley Middle School Jazz Messengers, recognized each and every member of the band and proclaimed that May 28 will now officially be "Stanley Jazz Messengers Day" in Lafayette. "These are very talented musicians who happen to be middle school students," said Mayor Don Tatzin, who should know since he oc-

asionally practices with the band. The Jazz Messengers recently came in second place as best middle school ensemble in the country at the Next Generation Jazz Festival in Monterey. Conductor, teacher, jazz guru and music director at Stanley, Bob Athayde, was gracious and thanked everyone for their support of the arts.

Tell the City How You Really Feel...

Yes, the City of Lafayette would like to hear your opinion about a specific area that many motorists use on a daily basis, for a traffic study along the Olympic Boulevard and Reliez Station Road corridor between Pleasant Hill Road and Glenside Drive. This busy, yet residential route has frequent bottlenecks and cars line up coming and going from Lafayette.

With critical input from the public, the study will identify traffic problems and concerns and explore solutions to address them. City staffers offer a number of options for folks to chime in:

Community Walk No. 1 is scheduled for 10 a.m. this Saturday, June 7, starting at the corner of Pleasant Hill

Road and Olympic Boulevard; or perhaps a weekday is better - Community Walk No. 2 is on Thursday, June 12 at 7:30 a.m. on Thursday, June 12, also at the corner of Pleasant Hill Road and Olympic Boulevard.

If taking a survey from the comfort of home is more your style, simply go to www.lovelafayette.org, then go to Hot Topics and click on the Reliez Station Road/Olympic Corridor Study - it should take less than 10 minutes to complete.

There's even a meeting slated for the day this paper is published: Wednesday, June 4 at 6:30 p.m. in the Sequoia Room of the Lafayette Community Center, 500 St. Mary's Road.
