

A New Addition to the Lafayette Landscape in September!

Coming soon to Lafayette is rare, new construction within a small enclave of homes at the edge of the Reliez Valley -- centrally located with superb commute access, as well as within walking distance to Springhill Elementary and Acalanes High School.

The first home is an expansive 3500± sq. ft., single-level floor plan with 4 bedrooms, 3.5 baths, plus an office. Designed from the ground up for the contemporary living needs of today's families and those who entertain. It features dramatic, spacious central living areas with seamless integration of the kitchen and family room. A large, level backyard complements the home, framed by beautiful oaks and rolling hills. Extraordinarily efficient use of space allows for a sumptuous master suite, and well-proportioned secondary bedrooms.

Built by Lafayette's TT Construction and Engineering, the home exhibits an exceptional level of craftsmanship that is rarely seen in today's marketplace.
