Local Little Leaguers Win Championship

By Cathy Tyson

Lafayette Little League's 11-year-old All Star team had a civic double-header at the Lafayette City Council meeting Sept. 8. After a quick reminder from mayor Don Tatzin to take off their hats, the team led a full house in the Pledge of Allegiance. The talented players are the first team in Lafayette history to win the Northern California Division 2 State Championship. Each of the players got a special certificate of recognition and handshake from the mayor.
