

Vole holes in the lawn must be dealt with to eradicate these destructive creatures.

THANKS for all the wonderful comments about my last Digging Deep column, Paradise Found. Special thanks to Lamorinda Weekly reader, Sydney, who shares this tip about growing her 65-year-old spectacular peony: When winters are mild, put ice cubes around the base of your peonies. Prune stems low to a bud in January. Fertilize with fish emulsion and deadhead after blooms are spent in April.

COME to the Be the Star You Are!® charity Book Bash Blow Out on April 25 at 5A Rent A Space in Moraga to buy brand new books at discount prices. Pick up your free seed packets and complimentary potpourri when you say you read the Lamorinda Weekly! For information, visit <http://ow.ly/K3zXG>.

PRAY for April showers!

Enjoy the beauty and scents of springtime. May all your weeds be flowers. Continue being water savvy and garden smart.

Happy Gardening, Happy Growing.
