

# Fall Feng Shui and the Metal Element

... continued from page D10

Deep reds of fall can balance with the metal element in home décor.

Remember to warm up the area, too, and be seasonal in terms of what you are serving and sharing around your dining room table to balance the cooler weather.

Fall offers us a chance to reflect and gain clarity on the lessons of this harvest, and to ask ourselves what worked and what did not. The vision of that thought may be enough inspiration to start creating a fresh dining room approach that you are inspired to entertain in and that also includes the subtle and ancient art of feng shui.

If the holidays (and clutter) are stressing you beyond imagination, and who isn't stressed in anticipation of multiple fall holidays, use organizing professionals (ask me who) to help clear out, sort and organize. It's win-win way to get your home in tip-top shape for the holidays, clear out the superfluous so you can imagine how you can create fresh holiday glimmer for a truly fresh take on your personal fall holiday design and décor.
