Raymundo Reyes is a hard worker. The 63-year-old man works for Amazon, delivering small- and medium-sized packages to the Lamorinda area and beyond. He says he could work up to 60 hours a week but works only 50. A conscientious driver, he turns off the engine of his small white truck with the famous "a" emblazoned on one side, for security reasons, he says, every time he delivers a package.

The distribution center is located in San Ramon and deliveries in Amazon trucks in Lamorinda started three months ago, according to Reyes. - S. Braccini
