Help Name the New Park

By Sophie Braccini

The Parks and Recreation Commission proposed four names for residents to choose from to label the new small park across from Moraga Commons along Moraga Road.

The town has set an online survey for people to cast their vote at www.Moraga.ca.us. The town council will make the final decision.

The names proposed are:

Dos Arroyos – because it has two creeks;

West Commons – because it is close to the Commons Park;

Camino Campos – because Campos means “commons”;

Camino Tesoro – because “Tesoro” means gem.
