neighborhoods offered hors d'oeuvres or dessert finger food during their NNO event; some swapped excess garden produce. Police and fire vehicles arrived with flashing lights and delighted children of all ages.

NNO was established in 1984; it currently boasts participation in more than 16,000 communities from all 50 states. NNO is a presentation of the National Association of Town Watch with local sponsorship by the Moraga Citizen's Corps Council, the Orinda Citizen's Corps Council and the Lafayette Emergency Preparedness Commission.

To prepare a NNO celebration for your neighborhood next summer go to <https://natw.org/about>.
