

Before I left this enchanted setting, I asked Curtis what his plans for the future entailed. Since his right hand helper, Tony, will be retiring next year, he said he is contemplating selling this personal paradise. "Won't you be sad to leave all this beauty behind?" I queried. "Yes, but it's time for me to be off on a new world quest," he said.

At that moment, I could imagine him dashing to the end of the arbor pathway, entering his red English phone booth and, like other super heroes, flying off to rescue another forlorn and forgotten garden.

Happy Gardening and Happy Growing!

Cynthia Brian enjoyed Curtis' magical garden.
