

Cynthia Brian's Gardening Guide for March

- BRING branches of forsythia or quince inside to allow the blooms to open in a vase.
- PICK up fallen camellias.
- FERTILIZE the entire garden, if possible right before it rains.
- BUY discounted tickets to the A's versus Angels baseball game for June 15 with proceeds benefitting local charity, Be the Star You Are!®. www.BetheStarYouAre.org/events
- HARVEST wild mustard for salads and soups. Delicious and nutritious.
- DIG up beets and make sure to eat the tops.
- COME to LaGaelrinda event at St. Mary's College between 9 to 1 p.m. March 17 to visit the Be the Star You Are!® booth where I'll be selling and autographing my newest book, "Growing with the Goddess Gardener."
- WANT an instant privacy screen in your yard? For immediate large hedges, a new product will ship this spring from a company called Instant Hedge offering 13 varieties of ready-to-plant hedges that have been growing for five years with heights up to six feet. Inspired by plantscapes in Holland, the panel of four trees with dense foliage will ship in a biodegradable cardboard box. Visit <http://instanthedge.com>.
- POT a clump of oxalis shamrocks for your St Patrick's Day dinner.

Wishing you the luck of the Irish and the wind at your back. March on and spring forward!

Happy Gardening. Happy Growing.
