More than 2,000 of the top swimmers in Contra Costa County, representing 56 teams, competed at Heaston Aquatics Center at Acalanes High School, August 10th-12th. LMYA Swim was proud to host the 58th Annual Contra Costa County Swim Championships and would like to thank all of our volunteers who spent countless hours planning and running this year's event. Next year's County Meet will be held August 2nd - 4th. Keep up to date by visiting our new website [www.countymeet.com](http://www.countymeet.com) (launching soon!)

## LMYA SWIM Celebrated 60 Years of Community, Competition and Fun

As a community-based swim team with a unique heritage and strong foundation, the LMYA Dolphins welcome swimmers of all ages and abilities. Our coaches emphasize proper stroke technique, help build strong workout habits, set goals for the swimmers to achieve, and foster an environment that encourages sportsmanship, camaraderie, and fun.
