

LMYA BASEBALL ★ SOFTBALL ★ TBALL ALL STAR GAMES

The Acalanes softball field provided a great venue to celebrate the skills learned and the friendships made during another successful season of LMYA Softball, Baseball and TBall. Baseball Commissioner Anthony Bishop and Softball Commissioner Chris Palma incorporated new events into the season such as the Opening Day Celebration & Parade, Sunday Skills Clinics and the All Star games held on Sunday 6/1. LMYA parent Bryn O'Connor commented "The All-Star game at the end on the big field with the music and the uniforms was so special for the boys. This was our first year playing baseball and it was a great one!" Thank you to all of our volunteers, coaches and families for playing with us!

Thank You to our All Star Sponsors!
