

## Lafayette Library Art Gallery opens call for artists

Submitted by Jenny Rosen

The City of Lafayette Public Art Committee is inviting artists living or working in the Bay Area to submit proposals for exhibitions in the Library Art Gallery located at the Lafayette Library and Learning Center, 3491 Mt. Diablo Blvd. in downtown Lafayette through Feb. 29. The Library Gallery at the LLC was created to support rich and diverse artistic expression and to encourage the appreciation of the visual arts in the community. It provides an exciting opportunity for local artists to display their work in Lafayette's cultural center.

Beginning this fall, four exhibitions will be presented each year: October-December, January-March, April-June, and July-September. Please apply through [lovelafayette.org](http://lovelafayette.org).

## Blood drive honors Miramonte teen

By Sora O'Doherty

Lamorinda residents, and others, have been invited to donate blood in honor of Anthony Bradley, a Miramonte senior. Bradley, 18, is currently battling Osteosarcoma (bone cancer), and will require blood transfusions during his cancer treatment. He is raising awareness for the importance of blood donations to cancer patients.

An avid swimmer, lifeguard, and Rugby player, the Orinda resident is part of a huge community with his extended family in the Bay Area and Michigan, his church, the Columbo Club, school, and sports.

Deena Mader, whose sons are friends of Bradley's, is helping to promote the blood drive, and emphasizes that people should attend, even if not giving blood. "More people will be fun and uplifting and show the community solidarity that our area is so known for," she says. "The Bradley family have been so touched by the amazing outpouring of love, kindness and support," she added. "Anthony has remained so positive and shown such character these past few months in part due to so much love being poured into him. His altruistic nature makes this effort no surprise that he would want to rally his community and raise awareness of lives that can be saved by donating blood." Only 38% of Americans are eligible to donate blood, but only 10% actually do donate, according to Mader. In order to give blood, a person must be over 17 years old and weigh at least 110 pounds.

The two venues for the drive are on Friday, Jan. 24, from 9 a.m. to 3 p.m. in the small gym at Miramonte High School, located at 750 Moraga Way, Orinda, and on Saturday, Feb. 1 from 9 a.m. to 3 p.m. at the parish hall, Church of Santa Maria, 40 Santa Maria Way, Orinda. Identification will be required and space may be limited.

### Barbara Harbuck

Feb. 4, 1938 – Nov. 28, 2019, Resident of Moraga, CA

The family of Barbara Jane Harbuck is sad to announce her passing on Thanksgiving Day. She is survived by her loving husband Col. James Harbuck, her sister Nancy Gnepper, brother Steve Johnson, grandchildren Haley and Cooper Harbuck, daughter-in-law Jill Harbuck, and many other loving family members. Her beloved son David pre-deceased her in 2016.

Barbara was a longtime resident and community leader in Moraga and had established a wide circle of friends throughout Lamorinda. She had a passion for people and tirelessly devoted her life to her family, friends, and philanthropic

organizations. In her early career she was a grade-school teacher. She was a volunteer at John Muir hospital and the Navy League. She was a strong supporter of education, and a longtime respected member of the American Association of University Women (AAUW). Barbara served as President of AAUW in 1987-88 and won the AAUW Distinguished Woman Award in 2004.

A Celebration of Life will be held on Feb. 1 at 1:30 pm at the Lafayette Orinda Presbyterian Church. In lieu of flowers, the family suggests contributions to the Orinda-Moraga-Lafayette branch of AAUW to support women's education.

### William S. Robinson

SF Engineer, Long Term Moraga Resident

William Stewart Robinson (Bill) was born in Thunder Bay, Ontario in May 1924, and died in Bellevue, Washington in late December, at the age of 95. Bill lived a remarkable life of adventure: working for Boeing at age 15, serving in the Canadian Merchant Navy during WWII, surveying throughout British Columbia, attending the University of British Columbia, moving to California to start a new life with Joyce, his bride-to-be, working for an engineering firm in San Francisco that he later owned, developing several award-winning surveying patents, retiring to a life shared between California and

Semiahmoo in Washington, and completing his life after nine happy, productive years at his home in Silver Glen.

Bill was known for his sense of humor, adventurous spirit, intellect and unfailingly positive attitude. He lived each day with a sense of joy and appreciation. He was a remarkable father, fostering confidence, principle and adventure. He was a devoted husband, thoroughly in love with his wife, Joyce, for all of their 57 years together. And after Joyce's passing in 2011, Bill found a special happiness with Naomi for his last eight years.

Bill was blessed with wonderful friends, both in Moraga, where he and Joyce raised their children, and at Silver Glen in Bellevue. He saw his children weekly, and enjoyed many visits from his California neighbors, and extended family in Canada, including our recent Canadian Thanksgiving in October with his brother, George, and many nieces/nephews. Bill was loved by his three children and four grandchildren, of whom he was extremely proud.

Bill was a Renaissance Man – engineer, scientist, writer, sports lover, camper, hiker, explorer, reader, boater, game player, skier, space enthusiast. He never met a game he didn't enjoy or an adventure he wouldn't take. Bill will be sorely missed by his three children: Steve, a UC Davis professor; Kerry, a Seattle lawyer (Steven); and Lynne, a Bellevue City Councilmember (Dan); his four grandchildren: William, Ian, Amanda and Nolan; his Canadian family, his many dear friends, and all those who had the pleasure of knowing him.

With love and thanks to you, Dad.
