

Success for new 3 v 3 Basketball League Format!

LMYA Basketball wraps up 2020 season with 3rd Grade Championship Games & Skills Competition

"I touched the ball so much and really got better. And it was fun!" beamed an LMYA 3rd grade player. The results of the new 3v3 program launched this year for 1st-3rd graders were on full display at the end of season Skills Competition and Round Robin Tournament held on 2/22 at JM. LMYA believes that smaller team sizes and ½ court 3v3 basketball develops skills most effectively and is a really fun style of play for the kids. The players thrived in the new program!
