

Lafayette continues to offer services during health emergency

While all Lafayette city facilities will remain closed except for the police department during the shelter-in-place order, city offices will be staffed virtually from 8 a.m. to 5 p.m. via telephone, email and social media. For information, visit <https://bit.ly/LafayetteCovid-19Contact>.

Information about COVID-19 can be found at <https://bit.ly/LafayetteNotifications> and additional county-wide information can be found at www.contracosta.ca.gov.

The city of Lafayette continues to process applications for housing development. The Terraces of Lafayette project is moving forward with the City's environmental consultant, Impact Sciences, continuing to prepare the addendum to the certified Environmental Impact Report. When completed, the addendum will be published with the staff report for the next planning commission meeting, which is tentatively scheduled for April 27. There will also be self-service information including zoning, application forms, and staff contact information at www.lovelafayette.org/city-hall/city-departments/planning-building/-fsiteid-1. Other maintenance projects and engineering department operations will continue during the COVID-19 emergency. Visit lovelafayette.org for more detailed information.

Love Lafayette

Support Lafayette Restaurants

Many of our wonderful restaurants are open during the month of April for take-out only. You can find a complete list on the Lafayette Chamber's Website:

www.lafayettechamber.org/whos-open.

Some of these restaurants can also be found on Door-Dash and GrubHub for delivery. Call your order in and they will deliver to you curbside.
