National Charity League, Inc., Acalanes Area Chapter announced the Senior Class of 2020 has served 8,154 hours in local communities. Through their volunteerism, fundraising and donations, the class of 2020 has made a positive impact on the lives of many people in need. For their Senior project, the girls wrote a grant to a local family foundation to obtain funding to furnish two houses through Grateful Gatherings, a local charity organization which helps transition families from homelessness or crisis into homes equipped with beds, kitchen items, bedding, sofa and other furnishings. Together with their fathers, the girls assembled furniture, cleaned and hung pictures, made beds and helped make these two spaces into comfortable homes.
