Moraga Art Gallery is a cooperative featuring the work of eighteen established local artists and artisans and five guest artists whose work includes painting, sculpture, jewelry, print media, ceramics, photography and woodworking.

To safeguard gallery staff and visitors, everyone visiting the gallery is required to wear a face mask and to maintain social distancing by keeping at least six feet apart. The gallery has hand sanitizer for guests to use when entering the gallery and gloves will also be available at the front desk for handling prints and ceramics. We are limiting the number of customers to four people at a time.
