Giving during COVID-19 pandemic

Submitted by Bob Murtagh

The Lamorinda Lions Club and the Campolindo High School Leo Club have teamed together to create Care Bags to help people in the community cope with the virus. Each Care Bag contains useful information on the many services offered in the county together with a message of encouragement and appreciation. Also in the bag is a mask, sanitizer and treat. To date, over 500 Care Bags have been delivered to seniors, teachers, police officers and others on the front lines who are helping people deal with this deadly virus. Seventy Care Bags were presented to the 70 nurses and staff at Post Accute Care facility in Rheem on Oct. 27.

For more information about the Care Bag program, contact Lion Bob Murtagh at rmurtagh62@yahoo.com.
