This the 20th year that the Leo Club has wrapped and delivered Christmas gifts to the patients at Moraga Post Acute Rehabilitation Center in Rheem. Normally the Leos and Lions would deliver the gifts and sing Christmas Carols with the patients. However, this year the gifts were delivered at the door to Leticia Trevino, social director at the center in time for Christmas.

Hopefully next year things will return to normal.

The Leos and Lions are involved in several local service projects. For more information contact Bob Murtagh at bobmurtagh@gmail.com.
