

Lamorinda Weekly Advertisers

Please join us in thanking all the local businesses, nonprofits, schools and cities for their advertising support in 2020. They made this FREE local newspaper possible for Lamorinda.

The year 2020 was, like for many others, a difficult year for Lamorinda Weekly.

We are also thankful to our team of writers, editors, photographers and producers who all made adjustments to sustain our model of bringing news and life stories to the Lamorinda community and to stay open. We hope normality will return in 2021.

BEST WISHES TO ALL IN 2021!
