

DRE 02155340

We're not just a real estate brokerage. We're your contractor and designer, too.

We're Enkasa. Just think of us as your agent, contractor, and designer—all in one. Figure out what needs remodeling (and how much it will cost) before you buy. Plan for updates to increase your home's value before you sell. Our team is your team, and we're here to help you get the most out of every home.
