

Campolindo outlasts Miramonte 55-46 after 1.5-hour blackout

... continued from Page C2

Both are expected to return to the active roster prior to the playoffs.

Tyler Dutto defended Mahaney all evening before fouling out with three minutes left in the game. "Tyler was ultra-aggressive which is why we were able to hold Mahaney to only 8 points," Lavdiotis said.

While acknowledging Dutto's defense on Mahaney, Dyer highlighted Mahaney's overall play: "Dutto is a good defensive player. Aidan did

force some shots, but he really made the right plays down the stretch with three big assists (on the 3-point shots at the end) and he also made the final 3-point shot of the game."

The Matadors were led by James Frye, who had 16 points and 10 rebounds, and Caden Breznikar who scored 15 points, 10 rebounds and held center Matt Radell to 4 points.

Despite the loss, Miramonte walked off the court with their heads held high. "We were disappointed in losing but we were not upset at

losing the game," Lavdiotis said. "I had told our players, 'Let's make sure that when we walk out of the gym, Campolindo will know that they are going to have a tough game coming when we play them in two weeks,' and we accomplished that. We know that we can beat them, and they know that we can beat them."

Both teams set up their schedules in preparation for games like this and the upcoming playoffs. At the end of the year, Miramonte will have

played 11 schools rated in the top 100 in the state and Campolindo will have played 15 teams in that category as well.

"I told our players that we were going to have a challenging schedule and they loved it," Lavdiotis said. "The purpose of all of this is that we want to make a run at the state tournament. Our first goal is to be the No. 1 seed in Division III, which we are right now. Our second goal is to qualify for the state tournament and our ultimate goal is to win the whole thing. All of

these games, like the one we just played, are to allow us to play as tough a schedule as we could to prepare for any situation."

Dyer is just as focused on the team's singular concern, which is to win another state championship. "We obviously want to win every game, but our main goal is to be prepared to play the really good teams in the state tournament."
